Canine Hoopers UK was formed in 2017 to provide UK handlers and their dogs with a fun, fast, low-impact sport. Canine Hoopers UK strives to protect the long-term well-being of the dog by maintaining flowing courses of low impact obstacles and aims to be an inclusive dog sport making sure that this sport is accessible to all dogs and handlers, in particular large and tiny breeds, dogs which require a little extra space, patience and understanding and also to handlers with limited mobility. Canine Hoopers UK endeavours to promote only force free modern training techniques through the training and assessment and of our Accredited Canine Hoopers UK Instructor scheme.
