## COVID Measures

1. By entering the Jasmyrn Chan Memorial Show 2021, you are agreeing to adhere to all the rules set out.
2. Entries on the day only. To reduce queuing and gathering at the entries table, there will be a **CLASS ENTRY FORM** for you to download and complete before arriving. These will also be available on the day, but please, where possible, complete before arriving.
3. The class entry form will also ask you to list people who are coming with you for track and trace reasons. Personal information will be kept safe and secure, and destroyed once used for the purpose outlined (please see 7. for maximum people)
4. In-hand and ridden classes will be capped to a **MAXIMUM of 10** entries per class
5. Show jumping – the **TIMED JUMP OFF** will take place **DIRECTLY** after you have jumped a clear round. This is to reduce traffic in and out of the ring. You will be given a few moments after your clear round to collect yourself and ask for the jump off course/numbers, if required, and timer will start when you're ready.
6. You cannot bring any horses/ponies that are not competing.
7. You must follow the one-way systems highlighted on the day
8. Maximum of **1 ADDITIONAL PERSON** per competitor (for example, a groom). Exceptions are for lead rein competitors and/or drivers, which then this increases to 2 additional people.
9. Masks **MUST** be worn, and social distancing adhered to, at all times both in the parking field and competition field. Exceptions for mask wearing are for warming up or competing.
10. Sanitiser will be available around the competition field, but we are encouraging you bring and use your own.
11. Please use you own lorries or trailers for toilet facilities, where possible.
12. Most importantly – if you have any symptoms, feel unwell or have been told to self-isolate due to tack and trace, please **DO NOT ATTEND**

**Thank you for reading and let's make this a fun, and COVID SAFE show!**
