These will be given out randomly at the judge's decision, you do not necessarily have to be placed 1st or even placed in a class to earn a ticket! These tickets are given out based on a range of details, such as riders who have made outstanding effort, horse and rider turn out, improvement throughout the day, overall willingness and sportsmanship. The idea of the golden ticket championship is to promote **FUN** back into showing, even when things don't go right! The lucky competitors to receive the golden tickets will then come forward to compete for the final judging, which will take place before the Supreme championships.

The Golden ticket champion will win a sash, rosette & **MYSETERY CASH PRIZE**.

Overall supreme championships to be judged once all championships have taken place across each ring for all champion and reserve champions to come forward for final judging
