Bucklebury facilities

There are two cross country fields, a gridwork and pole arena, 1x 20x40 grass dressage arena and 1x 60x40 grass arena jump schools.

We will have full use of a kitchen and bbq area, showers etc. There are 15 stables and individual small grass turn out plus an additional 6 grass paddocks without stables. Stables are all prepared with straw, three of the stables have rubber mats if people want to provide their own shavings.

Your accommodation can be tents, caravans, lorries or trailers etc. There is loads of off road hacking for during your down time and lots of horse friendly pubs if participants wish for an evening out.

Catering – we will arrange a continental breakfast, cold buffet lunch and evening meals or a pub evening meal over 3 evenings. We could get in fish & chips on the first night when everyone settling in.
