Welcome

We hope that you will enjoy our show, we are constantly looking at the classes we are provide each year in order to hopefully reflect the classes you like entering. We would especially like to welcome and thank our new Sponsors who are joining those local businesses and individuals who have so generously supported us over the years.

Running local shows requires support from plenty of volunteers who give up their time most generously to help us both on the day and with set up on the days prior to the show. Without your help the show would not be possible.

If you would be interested in sponsoring the show or offering some time to help please make contact with us by email or via our facebook page.

With thanks
